

2010 US MASTERS TOUR

EXPERIENCE THE US MASTERS AUGUSTA, GEORGIA APRIL 5th - 12th, 2010

THE ULTIMATE US MASTERS EXPERIENCE

Upon his retirement from championship golf in 1930, Bobby Jones had hoped to realise his dream of building a golf course that was simple but challenging, and along with Clifford Roberts they planned to hold an annual 'gathering of friends' starting in 1934. What developed were Augusta National Golf Club and the US Masters, two of the greatest golfing icons ever created.

You can experience the US Masters in the best possible way, starting with Practice Rounds and The Par 3 tournament on the final practice day – the only chance to photograph the 'hallowed turf' of ANGC. Following this will be 4 days of all the history, excitement and awe the US Masters has to offer. See how hard Amen Corner is for yourself as well as witnessing Tiger Woods go for his 5th Green Jacket. Can one of our own Australians win it for the first time? You can be there in the front row to find out.

About Elite Sporting Tours

Elite Sporting Tours developed out of the enthusiasm and admiration two golf loving Australians had for the US Masters and Augusta National Golf Club. Like all golf lovers our ultimate dream was to one day witness the greats of golf competing for the coveted Green Jacket at the US Masters. We first visited the US Masters in 1998 and since then have built up the knowledge and experience needed to pass on to a tour group travelling from all the way from Australia.

Since experiencing the US Masters first hand on a number of occasions, the founders created Elite Sporting Tours to provide a similar opportunity to many others who had thought the chance to walk Augusta National Golf Club's hallowed turf was simply an unreachable dream. Along our journey, Elite Sporting Tours patrons have had the opportunity to witness some of the US Masters most poignant moments of the past decade.

Where We Stay In Augusta

Staybridge Suites (opened July 2008)

Elite Sporting Tours has visited the Staybridge Suites whilst previously travelling to Augusta and the US Masters. We highly recommend the quiet setting this accommodation offers our clients. Set off busy Washington Road and located one mile from Augusta National and the home to the 'hallowed gates' of the US Masters, the Staybridge Suites provide the luxury of easily walking to and from the US Masters without the worry of bumper to bumper traffic via more commonly used shuttle services as well one of the most comforting hotel settings in Augusta.

ANGC / Richmond Hills Estate Private Housing

The private estate of Richmond Hills, situated across the road from Augusta National Golf Club and built around the spectacular setting of the worlds most famous golf course provides the perfect accommodation answer to the avid US Masters fan. In a setting surrounding the famous Georgian 'Loblolly' Pines which Augusta National Golf Club is famous for, these residences provide the proximity and comfort our travelling clients look for, allowing you to enjoy the 'run' of your own house whilst at the US Masters.
