Elite Sporting Tours Team

By Email

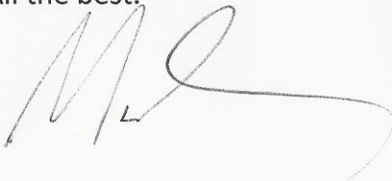

If you love golf and love major sporting events, you've got to get to Augusta with a few mates.

I was part of a group of 11 that did the US Masters in 2014 with Elite Sporting Tours and we had a great time.

Golf at Augusta National Golf Club on three days, two games of our own on great tracks (including Sage Valley – UNBELIEVABLE), great private housing accommodation and more than enough socialising.....meaning food and drink and great company.

The Elite team did a great job of looking after us, too. Not sure if they can play golf, but they know how to party!

All the best.
