Our group of 11 "Footy-mad / Golf-mad" blokes flew into Augusta early April for the US Masters. The trip was organised by Steven Ivak and Terry Lucas months earlier, following a recommendation. The guys could not have been more helpful, fielding phone calls / emails from a number of us and attending a couple of pub dinners for Q & A's.

Over there, we enjoyed superb accommodation, staying in 2 adjacent houses, close to Augusta National Golf Club. Golf was played at Westlakes CC, Augusta GC and Sage Valley GC – each was a treat, especially Sage Valley, being accompanied by one's "own" white-overalled Caddy as we strolled across the manicured fairways of a very good imitation of the Augusta National itself!

Our first look on the Wednesday (Par 3 day) was enthralling – take your camera, but our experience was better than any photos. Spectating on the Saturday and Sunday too was an absolute joy – something we'll always treasure. The team at Elite put on two great dinners and their house provided much welcomed hospitality on other occasions, being only minutes from the course and with a generous "full" fridge and BBQ.

We all had a ball and can highly recommend Elite if you're planning a visit to the US Masters, or the Open Championship in the UK – you will certainly not be disappointed.
