Dear Steve

I wanted to drop you a quick note to thank you sincerely for all of your support and assistance for our 2010 US Masters Experience.

It's been a lifelong dream of mine to attend the Masters and I didn't know where to start to begin to plan my trip.

Fortunately, you have delivered successful trips to a number of my closest business contacts and they were very quick to give me a glowing reference on what you could deliver.

And you did!

We all had the most amazing trip highlighted by the golf, but made easier by the precision planning from Elite Sporting Tours.

Our accommodation was perfect. The access, information and support also top notch.

All in all a great experience and I've already started recommending you to others!

I look forward to continuing to do business with you into the future.

Warm regards
