

April 2017

To the Elite team,

Again thank you for the incredible hospitality during this year's Masters.

You have, over the past four years, helped make our Augusta experience so much more enjoyable and the entire team, led by both Steven and Terry, are so passionate about the Masters that this comes through in everything you do on and off the course.

Your Host House set up is amazing. Thank you for everything.

Kind regards

*Pat Welsh*
