Elite Sporting Tours - Testimonial

"There are moments in time that transcend generations. Elite Sporting Tours gave my son and I that moment back in 2008. I had experienced the U.S Masters on 3 previous occasions with my father Ron back in 1997, 1999 and in 2001. After he passed away in 2007 I promised myself to share the experience of the U.S Masters with my son James.

Steven Ivak and Terry Lucas delivered on that dream for me with their tours to Augusta National. These two guys are without question some of the nicest individuals I have ever met. Their knowledge of sport, the Augusta area, attention to detail and willingness to provide a once in a life time experience has to be seen to be believed.

I have and will continue to refer more and more people to Steve and Terry as I am confident that the experience they provide is in many cases a life changing one.

I cannot speak highly enough of the quality and the service of Elite Sporting Tours and their ability to deliver on what is one of life's truly great experiences, the US Masters Golf Tournament at Augusta National Golf Club in Georgia."
