Dear Steve,

Re: 2017 Masters

A sincere thank you for co-ordinating an exceptional golf travel experience. Your organisation's insight, local knowledge, and love of the sport came shining through.

Upon returning, people have asked what the best part was. And it's a very difficult question to answer. The week was packed with such variety and welcoming hospitality. From the diversity of courses that we played, the comfort of the golf house, to the fun of the bbq and drinks at the end of the day. And of course the Augusta National Masters immersion which was incredible.

I'll recommend to anyone who is into golf. Just do it.

Regards

Doug Francis
