Elite Sporting Tours

Gentlemen,

The superlatives on our recent Masters 2017 Tour cannot be counted. Wow, what a job you guys do!!

Our group of four, amongst many attending the tour, were made to feel incredibly individual and special. From the lead-up arrangements, to the accommodation which suited us down to the ground, to the event, to the attention to detail at the Host House, the exceptional food by Matt Butcher and your unparalleled hosting day and night, it was extraordinary.

While Augusta National could be described as the 'Disneyland' of golf and the tournament was extraordinary, with a great victory by Sergio, it was made even more special by the team at Elite Sports.

On behalf of the four of us, a million thanks. And I can say without any hesitation that Elite Sporting Tours is the only way to attend and fully enjoy the US Masters experience.

With warmest regards,

Kevin Donovan
