Hi Steve,

Following a recommendation from a friend who was ecstatic about attending the 2018 Masters golf with Elite Sporting Tours I signed up for the 2019 tour.

I must say you promised a lot but delivered more.

From pick up at the airport to return to the airport I was looked after all the way.

The host house was a great place to meet other golfers, compare experiences and enjoy great food and drinks.

A special touch was the coffee, equal to Melbourne`s best, served by your barista Jonny.

The Masters golf is a great event and your first class organisation made it a memorable experience, many thanks to you, Terry and your staff.

Regards
