Dear Steve and Terry

I wanted to send you a quick note regarding our trip to the US Masters.

Over the past decade I've been lucky enough to travel to some of the world's great sporting events and in my opinion the US Masters is by far the best event.

The team at Elite are outstanding on every level from hospitality to logistics to golf knowledge. You truly are a class above everyone else. And to organise a Tiger victory, well that's just next level !

I'm so grateful for the effort everyone made towards our tour group and I can't wait to get back again.
